Plans

Plans have been made unofficially with [redacted] to commence the H. R. Program in FI on 14 July with a group of supervisors in RI. A memo will be prepared for the signature of DTR to make this commitment official.

Serious space problems appear to be developing for the Management Training Division. A report on this will be prepared during the next week.

[redacted] is apparently in some sort of hassle in O&M, so we are postponing our discussions regarding closer cooperation between O&M and Management Training.
